

Dehumidifier DS40FS

Wood's®

Developed to dry laundry and dehumidify large basements.

Wood's DS40FS is a very powerful, yet convenient, dehumidifier - ideal for laundry or large basements. The DS40FS will quickly dry your washing, at the same time as it removes any excess moisture or damp from the air. The DS40FS gives you extra power to deal with the humidity, and is an efficient, money saving and eco-friendly way to dry laundry.

Wood's DS40FS

Wood's DS40FS is easy to install and operate, and will quickly lower the ambient humidity and remove mildew and moisture. The DS40FS has a spacious water bucket, and you can also easily attach a water hose for direct drainage of the water. This way, you don't have to empty the water bucket. Wood's DS40FS will run only when needed, and automatically shut off and restart depending on the ambient humidity. This is the most energy saving and efficient way to remove excess moisture and bad odour. The DS40FS is the best choice for laundry, and for larger basements, living spaces, or similar areas.

Advantages:

- For laundry rooms, basements, living spaces etc.
- Removes excess moisture and bad odour
- IP-rated for tough environments
- Hose connection for direct drainage
- Automatic defrost
- Easy to move and install
- Runs only when needed
- Generates more heat than it consumes power
- The unique SMF-filter cleans the air
- Energy efficient and powerful
- Up to 6 years warranty

Specifications

Max. working area	235 m ²
Recommended area	10 - 120 m ²
Airflow	345 m ³ /h
