

New dehumidifier DSC50FM

Wood's®

Dehumidifier for your crawl space- Made in Sweden

Wood's is one of the most popular dehumidifier and it has been awarded Best in Test in independent tests! Thanks to its operational reliability and superior capacity, more than 500,000 households have kept mold and moisture damage away. This dehumidifier product has been further developed and is part of the new SW program. Developed and manufactured in Sweden with new intelligent defrosting system, delivering faster and better defrosting and energy efficiency. Made of recyclable steel.

NYHET!

DSC50FM - a robust dehumidifier that dehumidifies the crawl space

The DSC50FM is a powerful dehumidifier designed to dehumidify your creep background! The DSC50FM has a very good dehumidification capacity down to + 2 ° C and up to + 35 ° C. The DSC50FM has a new intelligent defrosting system, i-EcoDefrost, developed and manufactured in Sweden, provides faster and better defrosting and operation, the machine becomes even more efficient, dehumidifies faster and more energy efficiently. The DSC50FM gives you an effective heat pump effect and cleans the air at the same time. The DSC50FM has hose connection for direct drainage to the drain. The DSC50FM is equipped with fixed legs and handles.

Advantages:

- Optimal for the crawl ground.
- Removes excess moisture and bad odor.
- Gives you a significant heat pump power (more energy than in)!
- Effective air purification.
- i-EcoDefrost, intelligent defrosting system
- Recyclable chassis
- Environmentally friendly refrigerant
- Register your dehumidifier and change filter once a year and get extended warranty up to 6 years warranty-woods.com
- 30 days open purchase.
- Automatic defrosting and mold protection!

Specification - DSC50FM

Max. working area	< 100 m ²
Recommended area	10-60 m ²
Airflow	269-572m ³
Capacity at 20°C and 70% RF	8,8 liter
Capacity at 35°C and 80% RF	16,2 liter
Power at 20°C and 70% RF	231 W
Power at 35°C and 80% RF	308 W
Working interval	+2 till +35°C
Tank volume	hose connection
Fan speeds	2
Dimensions LxBxH	495x345x527
Weight	23,5kg
Sound level	37-56 dB
Cooling media, free free	R290
IP Rating	IP21
EAN code	7332857500499

ECO-FRIENDLY

Recyclable and environmentally friendly steel
Made in Sweden
Local suppliers
reliable
Long life
in-EcoDefrost-new intelligent defrost
Low energy consumption
New environmentally friendly refrigerant

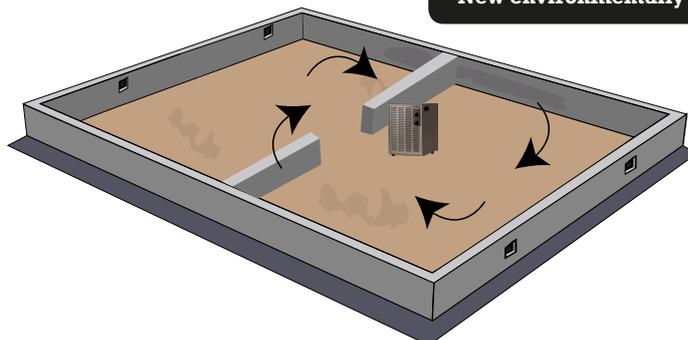

Installation Guides

Seal the valves so that they do not let go in unnecessarily very humid air.

Place the dehumidifier as central as possible.

Make a stone list for drainage.

Complete with a crawl-hygrometer to keep an eye on moisture level from above the house.

Do you have a more divided crawl space or larger than 130 m^2. See Wood's dehumidifier DSC70 and DSC90. Read more about dehumidifiers for your creep background on woods.se
