

New dehumidifier SW59FM

Wood's®

Powerful, energy efficient, effective dehumidifier- made in Sweden

Wood's is one of the most popular dehumidifier and it has been awarded Best in Test in independent tests! Thanks to its operational reliability and superior capacity, more than 500,000 households have kept mold and moisture damage away. This dehumidifier product has been further developed and is part of the new SW program. Developed and manufactured in Sweden with new intelligent defrosting system, delivering faster and better defrosting and energy efficiency. Made of recyclable steel.

SW - a robust dehumidifier that dehumidifies the basement while drying the laundry.

SW59FM is a development of Wood's test winner ED50! Now even better and also equipped with energy-efficient rotary compressor. It is specially designed for dehumidifying large spaces and releases more heat than it draws power! Use the SW59FM in your large basement, and you'll quickly get rid of your moisture problems while drying the laundry and giving you a significant heat pump effect. SW has a new intelligent defrosting system, i-EcoDefrost, developed and manufactured in Sweden, provides faster and better defrosting and operation, the machine becomes even more efficient, dehumidifies faster and is more energy efficient. The SW59FM has good dehumidification capacity down to + 2 ° C. and up to + 35 ° C Wood's SW59FM effectively holds large areas dry and is optimal for basements, drying rooms or shared laundry rooms. It is fitted with wheels and handles, making it easy to move.

6 years warranty

SW has a unique filter system, SMF antifouling filter, manufactured in Sweden. The filter catches harmful mold spores, dust and other particles that can be released for example when you wash laundry. In addition, the filter protects the dehumidifier from dust and that is why Wood's can now provide extended total warranty up to 6 years on your dehumidifier! All you need to do is register your dehumidifier and replace the air filter once a year.

Register your dehumidifier at warranty-woods.com

Advantages:

- Optimal for the basement
- Removes excess moisture and bad odor.
- Gives you a significant heat pump power (more energy than in)!
- Effective air purification.
- I-EcoDefrost, intelligent defrosting patent pend.
- Recyclable chassis
- Environmentally friendly refrigerant
- Replace filter 1 time / year and get extended warranty up to 6 years.
- 30 days open purchase.
- Automatic defrosting and mold protection!

Specification - SW59FM

Max. working area	230m ²
Recommended area	10 - 162 m ²
Airflow Step 1	129 m ³ /h
Airflow Step 2	296 m ³ /h
Capacity at 20°C & 70% RH	25 litres/day
Capacity at 30°C & 80% RH	41 litres/day
Power at 20°C & 70% RH	500 W
Power at 30°C & 80% RH	690 W
Working interval	+2 to +35°C
Tank volume	11,4 litres
Fan speeds	2
Dimensions (mm)	495x345x527
Weight	24 kg
Sound level	37 - 58 dB
Cooling media, freon free	R290
IP Rating	IPX1
EAN code	7332857500505

ECO-FRIENDLY

Made in Sweden
